

HOW CAN YOU LEAVE ME LIKE THAT?

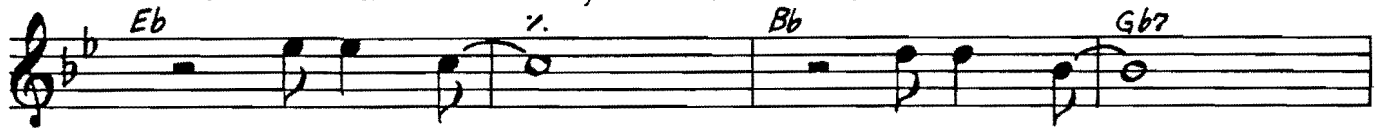

B. Thelin

How can you leave me like that?
My heart is begging for you.

I will never forget.
I will tell you that's true.

No, no, no. No, no, no.

How can you leave me like that?

Fine

Sweet things can happen.

Sweet dreams can be true. But

when you meet the right one for you, you

always have to be true.
