

## I'M COMING HOME

L. Green

1. This will be my lucky day 'cause at last I'm on my way. Let's be happy, sing and cheer with a juicy steak and beer. Now I'll never go away, now I'm coming home to stay. I'm on my way. I'm coming home. I've been gone too far, too long. Now I know that I did wrong. Oh, I missed you all the time. I've been down to my last dime. It's been hard times all around. How I longed for my home town. I'm on my way. I'm coming home.

2. Oh, those lovely chicks I've seen  
 all the places where I've been.  
 But I more than long for you  
 and the things I used to do.  
 This wide world's too big for me.  
 I know where I want to be.  
 I'm on my way. I'm coming home.  
 Now I'll have a real ball  
 with all friends and chicks and all.  
 Now I'll never leave this place,  
 have no more of travellin' days.  
 Now I'll never be alone  
 'cause at last I'm coming home.  
 I'm on my way. I'm coming home.
