

STAY COOL

Musik & text:
Sam - B. Winberg

Ev-ery-one's - tel-ling you - How to act what, to do, - Lots of signs ev-erywhere -
 tel-ling you. - What is there - Ev-erything's done before - Ev-eryone's - wanting more -
 Fen-ces all a- round the place - Don't e- ver loose your face. - Stay cool give yourself time. Stay
 cool and let it come to you ea - si - ly, ea - si - ly. Look around, - think a bit, -
 What's the svore use your wit. - You may win if you stay - Why should you run away. - Stay
 cool and let it come to you ea - si - ly, ea - si - ly, ea - si - ly,
 ea - si - ly, ea - si - ly, ea - si - ly stay cool.
