

Donation agreement (example)

Donor:

Donor Name (N.N.)

(Address and other contact details)

Receiver:

Förbundet Svenskt Rockarkiv (The Swedish Rock Archive Association)

(Address and other contact information)

Extent of donation:

(List of material)

Management of the collections:

The donation will be processed in accordance with the guidelines that the Swedish Rock Archive has prepared for its collections.

- collect and document testimonies about popular music in Sweden
- list, nurture and scientifically process the collections
- keep collections and documentation available to researchers and other interested parties
- bring collections and documentation to life through exhibitions, programs and publications.

Other:

The material donated will have such an identification that they can be traced as N.N.'s donation.

The recipient does not have the right to sell, donate or rent out the donation. Or in another way make sure that the donation comes into circulation.

If the donation is used for public purposes, the recipient must observe all copyright aspects.
